

Change in Dates for the 2020 Cowboy Way Jubilee

The 2020 Cowboy Way Jubilee announces that due to declarations by Federal, State, & Local Authorities, the 2020 Cowboy Way Jubilee is a "go" with new dates: July 23 to July 26, 2020. The Jubilee will be held as planned with these new dates at Fort Concho, National Historic Landmark, in downtown San Angelo, Texas.

These new dates take the 2020 Cowboy Way Jubilee beyond six months past the first COVID-19 diagnosis in the United States. At this time, it appears, based on experiences in other regions, break outs seem to reduce significantly after the six-month mark.

The Cowboy Way Jubilee staff will continually re-assess with each change in information from the CDC and USA & State governments. Any additional change will be posted on our website, www.CowboyWayJubilee.com; on Facebook both in our group "Cowboy Ways Nowadays," and our page, "Cowboy Way Jubilee;" and via press release.

Attendees are URGED to follow good hygiene and the ADVICE of their own Doctor(s). Anyone from a quarantined area (at the time of the event) will be refunded their registration fees. These will be handled on a case by case basis. Email any questions to cowboywayfest@gmail.com.

Thank you for your continued support. We sincerely wish everyone to be safe, healthy, and to enjoy the Jubilee!
